**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and small business owner. I only have 2 choices for internet service. One is Comcast who have proven to me to be liars, cheats and thieves with the worst customer service imaginable.

I have chosen a small local provider who provides an excellent product and very good customer service. We need more competition not less.

I think broadband providers should be highly regulated just as gas and electric companies are. For me broadband is just as important to my business as utilities.

More Competition--this is the free market way.
